# INDIVIDUAL SERVICES – NUMEROLOGY & ASTROLOGY

Numerology and astrology have ancient roots, offering timeless guidance for those seeking insight. Numerology, utilizing numbers and their vibrations, unveils personal traits and life paths. Astrology, based on celestial positions, provides a cosmic map for self-discovery and understanding life's cycles. At Guidance Forever, we employ both these unique perspectives, helping individuals navigate challenges and embrace opportunities. Numerology decodes the significance of names and birthdates, while astrology explores the influence of celestial bodies on personality and destiny. Embracing these ancient arts can provide enduring guidance, fostering self-awareness, and aiding in life's journey. Integrating numerology and astrology offers a holistic approach to understanding oneself and the universe.

## INDUSTRY INTERFACE

Guidance Forever's "Industry Interface" offers exclusive opportunities for school and college students to bridge the gap between academic learning and real-world industry experience. By facilitating interactions with professionals and industry experts, the platform aims to provide students with valuable insights into various sectors, career paths, and professional expectations. This interface may include internships, guest lectures, industry visits, and networking events, allowing students to gain practical knowledge and make informed decisions about their future careers. Through these engagements, Guidance Forever seeks to equip students with a deeper understanding of industry dynamics and requirements, thereby enhancing their preparedness for the professional world.

## MIND POWER TRAINING

Mind Power Training, a core offering of Guidance Forever, is a practice that trains the mind to achieve a state of calmness, clarity, and awareness. The platform provides guided meditation programs for students, aiming to offer emotional and psychological benefits, increase concentration, and improve memory. Through these programs, students can experience stress reduction, enhanced emotional regulation, improved creativity, and better adaptability—qualities essential for academic and professional success. Additionally, meditation can promote a healthier lifestyle, including better sleep patterns and dietary habits, which are foundational for long-term career success. Practice also helps improve interpersonal skills, empathy, and decision-making, all of which are crucial for personal and professional development.

## TRAIN YOUR MIND:

1. Guided Meditation: Join our Monthly Guided Meditation sessions for deep relaxation and stress reduction. Group sessions are open to ALL (students included) for Rs. 500 per person (1.5 hours).
2. Closed Group Meditation: Deepen your practice into a more personalized experience with our Closed Group Meditations (8-10 participants). Enjoy 2 (two) sessions per week (1.5-2 hours each) with dedicated Q&A sessions for Rs. 5000 per person.
